

AmericaView 2015 Update

Rick Lawrence
Spatial Sciences Center
Montana State University
rickl@montana.edu

7 July 2015
Landsat Science Team Meeting
Sioux Falls, South Dakota

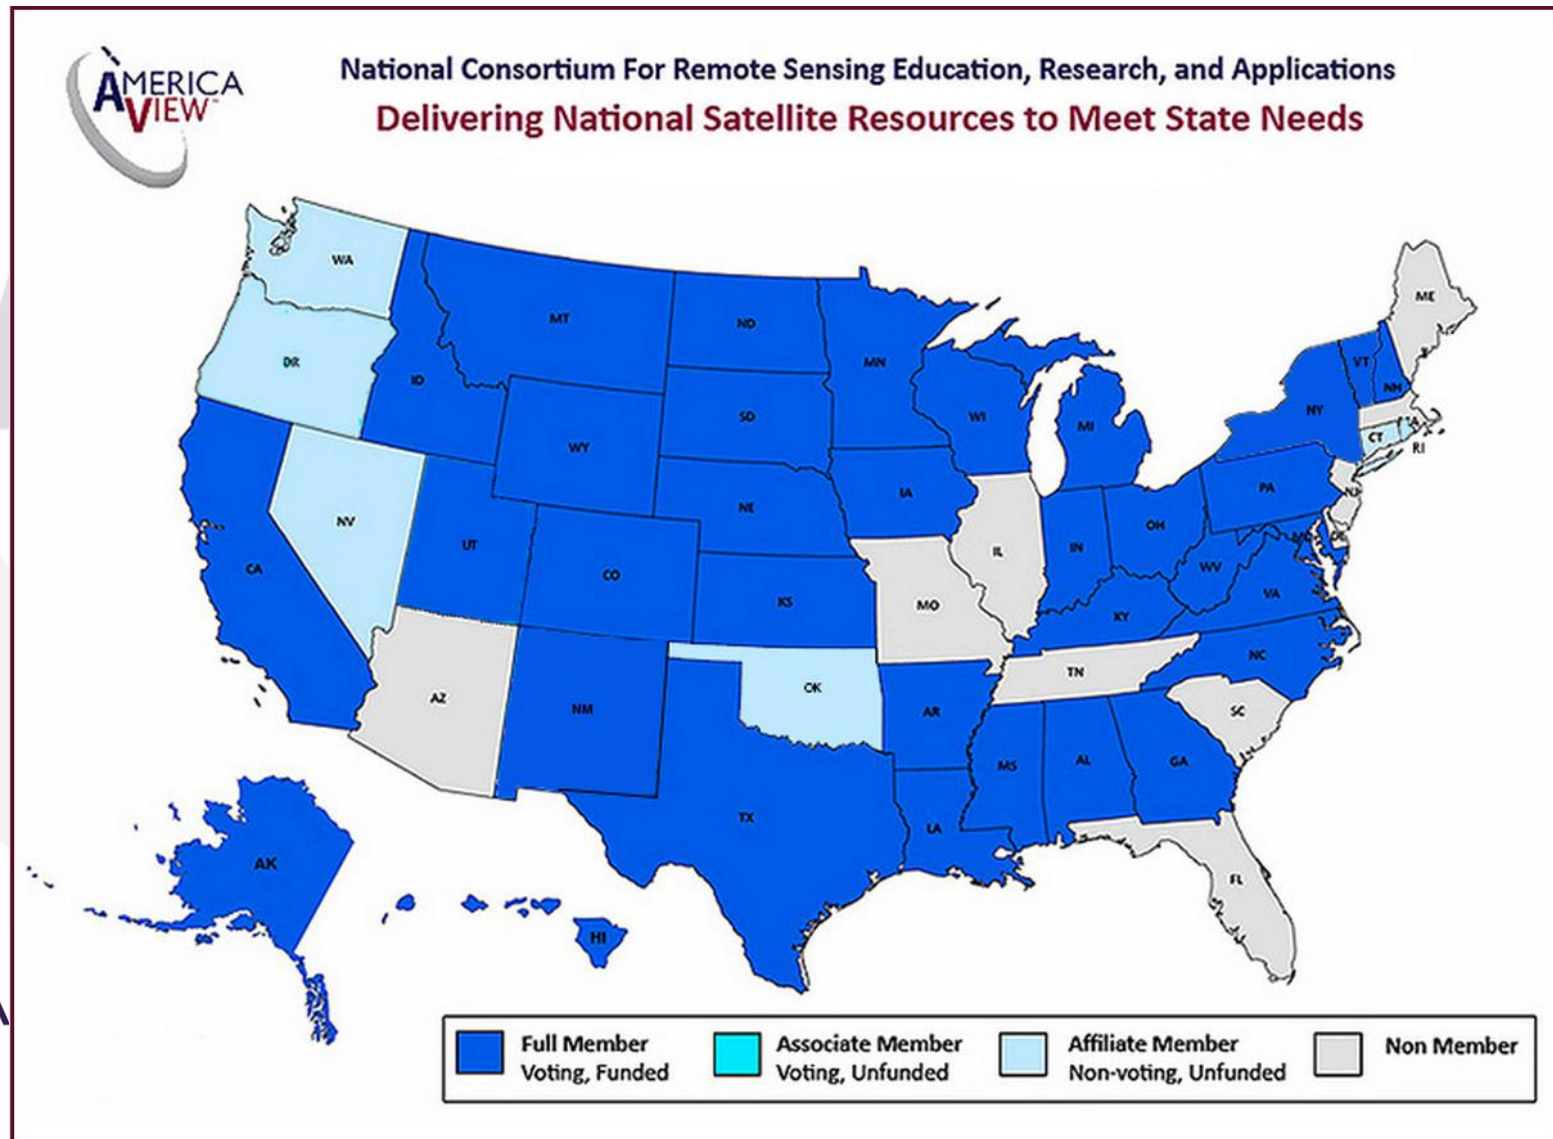

What is AmericaView

- University-led, state-based consortium
- Dedicated to advancing remote sensing:
 - Data availability and distribution
 - Education
 - Outreach
 - Research and technology transfer
- Funded under the USGS National Land Remote Sensing Education Outreach and Research Activity (NLRSEORA)

Current Membership

States Needing Pls

- Arizona
- Florida
- Illinois
- Maine
- Massachusetts
- Missouri
- Nevada
- New Jersey
- South Carolina
- Tennessee
- Washington

On-Going Landsat Activities

- Data delivery
- Education
 - K-12
 - University
- Research
 - Localized needs

Congressional Education Visits

- 109 visits
- Diverse knowledge and interests
- Largest concerns/common questions
 - UASs
 - Education
 - Budgets
 - Landsat
 - AmericaView

Acknowledgments

- Russ Congalton, AV Board Chair
- Bobbi Lenczowski, AV Executive Director
- Debbie Deagen, AV Program Manager
- AV Board and Members
